PITCHER THROWS HIS GAME AWAY IN NINTH

Wild Throw in Ninth Inning Fatal for Fiveks—Game Ties Up Twice

—Squibbs Stars.

Re-enforced with the pick of Singers and the Watch Co. teams, the Fiveks of South Bend came to Mishawaka Sunday afternoon bent on getting the scalp of the locals, but left the city disappointed, as they were defeated by a score of 3 to 4. The game was one of the best played on the diamonds this season until Ping, who pitched for the Benders, made a wild throw in the ninth and lost the game. The score in the ninth was a tie, 3 to 3, with Squibbs on second. Scheibelhut was up and he hit a short pop to the infield. Ping scooped the ball and threw to third to get Squibbs, who attempted to steal. The throw was wild and Squibbs rounded third for home, winning the game.

The scores were twice tied during the progress of the game and the contest was not throughout. A slight dispute arose when the umpire in the last of the second inning called Trowbridge out for not touching second base when he made a long left field drive, which was good for a three-bagger. On this Stillson, who was on second, made the second run for the game which put the locals ahead on the tie.

Squibbs undoubtedly was the star player of the day, as in the seventh inning he made a sensational slide home which aroused the spirit of the fans of both sides.

Although Fisher allowed the visitor 12 hits he pitched a good game. He was also backed with good support. The crowd was one of the largest for several weeks and the locals were represented in the east bleachers by over 200 members of the rovers' club, who wore badges and carried Mishawaka pennants.
